

La Villa Del Senatore

Villa Adriana

Only 24 km from Rome you will find an unforgettable place. So, relax and follow your instinct to the fabulous atmosphere of **La villa del Senatore** which has the following particularities:

- **La Villa del Senatore:** as the name indicates, is built on the site of the house of one of Hadrian's senators, on the hill where the Emperor Adriano had his summer court in 125 A.D. It is a magical place where one can feel the atmosphere of the centuries, and even touch archeological pieces from the period found in the grounds which are invaluable. For a limited number of guests the house will be open to visit in order to give the foreign visitors an image of how it is to live in an Italian style country house.
- **The Garden:** is divided in two. On one side, you will find archeological pieces that are to be seen, and, on the other side, you have access to a Japanese garden which is exclusively designed by *Sachimine Masui* (see website below), a Japanese architect, who has had the honor of working with a pieces together with a touch of Japanese spirit.
- **The Location:** is very easy to reach. See map below.
- **The Food:** is organic, exquisite and unique. All products are cultivated in our property – a total of 4 hectares.
- **The cheese:** is from the sheep that graze on our property. Therefore, the taste of the cheese is distinctive and unforgettable.

You must visit our three villas in Tivoli, **Villa D'este** www.villadesetivoli.info , **Villa Gregoriana** www.villagregoriana.it , and slightly further **Villa Adriana** www.villadriana.com. These sites are all under the patronage of the World Heritage Sites. You can also enjoy the surroundings of the villas which includes **le Terme delle Acque Albule** www.termediroma.org. Here you can treat your health and beauty 12 months a year, and swim in the same natural sulphureous water of the thermae as *Emperor Adriano* did. Therefore, your last stop should be at **Villa del Senatore** where you will have both leisure and pleasure, with good Italian wine and food.
