CHIESA e
BORGO

PARCHEGGIO

A stay that combines art and history, allowing you to discover the secrets, wonders and timeless beauty of the Eternal City.

The perfect place for whom want to organize a stay in the countryside 25 km from Rome.

ROOMS & FLATS

The Village has 47 rooms restored by local craftsmen and furnished with antique furniture in the tradition of the Roman Campaign. They are divided into three main sections with private garden for two of them and 4 rooms are equipped for disabled guests.

In the ancient Village, shall be located nine apartments historians. They can accommodate from two to eight people, in an environment of natural beauty and charm, typical of the rural houses of the Roman countryside.

Unlike the rooms, the apartments have their own kitchen, and some of fireplace.

RESTAURANT

The chef will prepare a traditional type of cuisine for you and will offer you for your wedding Italian specialties such as home-made pasta, tozzetti and ciambelline crafts and the famous frittini del Borgo (sage, eggplant and zucchini).

The products they produce combined at the skill and imagination of the chef can; stand as a breakfast with homemade cakes, as a fried of our vegetables, or a cocktail at sunset with wine and products of wood stove... the magical atmosphere of the Village welcomes the best romantic dinners by the pool, brunches Sunday with the kids, and more formal luncheons.

The Paths in the estate, both for trips on foot or by mountain bike, allowing you to fully enjoy the countryside, along the garden fence and the animals until they reach the paths that cross the fields and walnut trees, where you can discover the best of flora and fauna.

The Pools Outdoor allow both to cool in the warmer months that the pleasure of a dinner by candlelight.

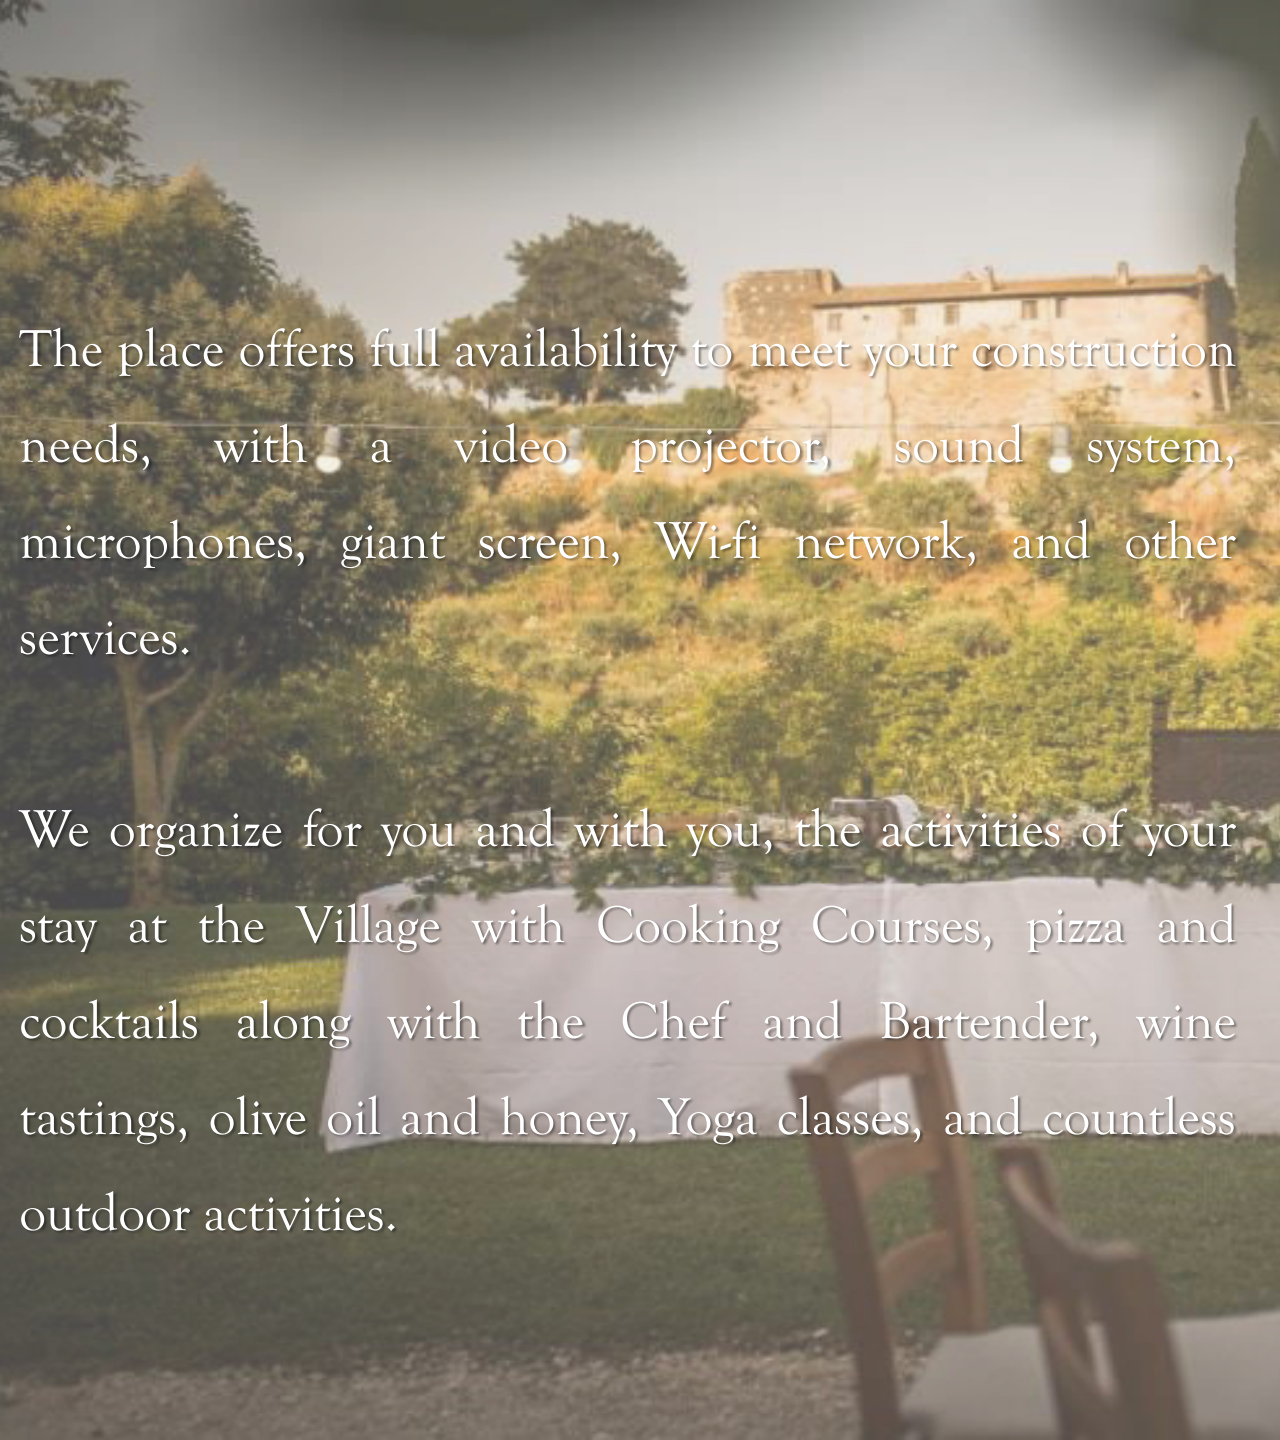

EVENTS

The wide open spaces allow to regenerate in the green and in the pool thanks to itinerant coffee breaks, and perform a number of team building activities in accordance with the specific requirements of your company.

The internal spaces, thanks to the silence of the rooms and natural light, facilitate concentration and optimize the potential of your meetings, ensuring a memorable stay !

The place offers full availability to meet your construction needs, with a video projector, sound system, microphones, giant screen, Wi-fi network, and other services.

We organize for you and with you, the activities of your stay at the Village with Cooking Courses, pizza and cocktails along with the Chef and Bartender, wine tastings, olive oil and honey, Yoga classes, and countless outdoor activities.

The preparation and implementation of your wedding will be personalized according to your requests by our fabulous team.

Here you can make your wedding reception, spend beautiful hours with your guests and enjoy every second of the best day of your life...
